THE INDIAN RIOTS.

Calcutta Volunteer Says 1500 Natives Were Killed One Day.

London, Au afternoon pubing Na letter from a Calcutta volunteer reiterating the state ment that during the recent rioting there the artillery fired point blank at a mob of 5000 mill hands, who were marching to join the rioters, with the result that 1500 of the natives were killed.

The Secretary of State for India, Lord George Hamilton, was questioned in the House of Commons on July o as to the accuracy of the native report that 1500 persens were killed during the rioting which had then just occurred in the stringent measures taken by the government officials to prevert the spread of and stamp out the bubonic plague. He replied that about seven per sons were killed and that about twenty were wounded during the riots referred to.
